THE CAPS FAMILY

During this era of globalization, human attitude towards lifestyle has undergone a rapid change and that has reflected in the kitchen too. It is no longer a place for cooking, where women spend their valuable time. Hence, the concept of a clean, safe, hygienic, space saving and designer kitchen has evolved.

COMMITMENT TO SOCIETY

We offer aesthetically designed, high-quality and easy to use world-class products, which give complete "VALUE FOR MONEY" to its users. Our products are built with the latest technologies, design, functionality, and safety making us a leader in the industry.

COMMITMENT TO RESEARCH & DEVELOPMENT

We promise to change the lifestyle due to our investment in R & D for continuous development in: Design | Quality | Safety | Systems | New products. These are the reasons why we are the leaders in this industry.

MOTTO

To ensure complete customer satisfaction. GIVE US AN OPPORTUNITY AND WE'LL PROVE IT."

PRESENCE

Our products are available in all major towns & cities from north to south and east to west, covering 26 states of India.

COMPANY

We, Caps International Pvt. Ltd, a pioneer organization, which owns the high profile and well known brand "Caps" and leads the market with a range of lifestyle products like electric chimneys, water purifier, vacuum cleaners, gas stoves, induction cookers, modular kitchen, auto car washer etc.

Our products are manufactured by an ISO-9001:2008 company with European technology, which speaks about the overall standard and quality of the products. We have created a new standard in this country with our products, systems and after-sales service. We were the first to bring auto clean chimney with gas leakage sensor and also with filter-free oil collector system.

INNOVATION

- Auto Clean chimney
- Filter- free chimney with oil collector
- Gas leakage sensor
- Water purifiers with latest technology
- Automatic gas stoves

STRENGTH

- Products manufactured in world-class factory with European technology
- Value for money products
- Commitment to R&D
- Innovative products & technology
- User friendly products
- Presence in all major towns & cities
- Prompt after- sales service
- Lifetime warranty on motors (on selected models)
